**MOTION OF DEBTORS FOR ENTRY OF INTERIM AND FINAL
ORDERS (I) AUTHORIZING THE PAYMENT OF CERTAIN PREPETITION
AND POSTPETITION TAXES AND FEES AND (II) GRANTING RELATED RELIEF**

The above-captioned debtors and debtors in possession (collectively, the “Debtors”) state as follows in support of this motion:²

Relief Requested

1. The Debtors seek entry of interim and final orders, substantially in the forms attached hereto as **Exhibit A** and **Exhibit B** (the “Interim Order” and “Final Order,” respectively), (a) authorizing the Debtors to negotiate, remit, and pay (or use tax credits to offset) or otherwise satisfy any Taxes and Fees (as defined herein) arising or accrued in the ordinary course of business that are payable or become payable during these chapter 11 cases (including any obligations subsequently determined upon audit or assessment) or otherwise owed for periods prior to,

¹ The Debtors in these chapter 11 cases, along with the last four digits of their federal tax identification numbers, to the extent applicable, are: Claire’s Holdings LLC (9619); BMS Distributing Corp. (4117); CBI Distributing Corp. (5574); Claire’s (Gibraltar) Holdings Limited (4273); Claire’s Boutiques, Inc. (5307); Claire’s Canada Corp. (7936); Claire’s Intellectual LLC (5274); Claire’s Puerto Rico Corp. (6113); Claire’s Stores, Inc. (0416); Claire’s Swiss Holdings II LLC (7980); Claire’s Swiss Holdings LLC (2299); CLSIP Holdings LLC (1950); CLSIP LLC (9769); and CSI Canada LLC (2343). The Debtors’ mailing address is 2400 West Central Road, Hoffman Estates, IL 60192.

² A detailed description of the Debtors and their business, including the facts and circumstances supporting the motion, is set forth in the *Declaration of Chris Cramer, Chief Executive Officer, Chief Operating Officer, and Chief Financial Officer of Claire’s Holdings LLC and Certain of its Affiliates, in Support of the Debtors’ Chapter 11 Petitions and First Day Pleadings* filed contemporaneously herewith (the “First Day Declaration”). Capitalized terms used but not defined in this motion shall have the meanings ascribed to them in the First Day Declaration.

including, or following the Petition Date, without regard to whether such obligations accrued or arose before, on, or after the Petition Date; and (b) granting related relief. In addition, the Debtors request that the Court schedule a final hearing approximately 21 days from the Petition Date.

Jurisdiction and Venue

2. The United States Bankruptcy Court for the District of Delaware (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated February 29, 2012. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2), and the Debtors confirm their consent, pursuant to rule 9013-1(f) of the Local Rules of the United States Bankruptcy Court for the District of Delaware (the “Local Rules”), to the entry of a final order by the Court in connection with this motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The statutory bases for the relief requested herein are sections 105(a), 363(b), 507(a)(8), 1107(a), and 1108 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), rules 2002, 6003, and 6004 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Local Rules 2002-1 and 9013-1.

Background

5. On August 6, 2025 (the “Petition Date”), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Concurrently with the filing of this motion, the Debtors filed a motion requesting procedural consolidation and joint administration of these chapter 11 cases pursuant to

Bankruptcy Rule 1015(b) and Local Rule 1015-1. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no official committees have been appointed or designated.

The Taxes and Fees

6. In the ordinary course of business, the Debtors collect, withhold, and incur taxes and fees related to, among other things: (a) sales and use taxes; (b) property taxes; (c) income, excise, withholding, and franchise taxes; (d) customs duties and fees; (e) business and regulatory fees, and license, permit, annual report, and limited liability company fees; (f) assessments, interests, penalties, and other fees, including as a result of audits; and (g) fees owed to various tax service providers on account of tax consulting services provided to the Debtors (collectively, the “Taxes and Fees”).³ The Debtors pay or remit the Taxes and Fees to various federal, state, local, and foreign governments, including taxing and licensing authorities (collectively, the “Taxing Authorities”), identified in a schedule attached hereto as **Exhibit C**.⁴ Taxes and Fees generally are remitted and paid by the Debtors through checks and electronic fund disbursements that are processed through their banks and other financial institutions or service providers. From time to time, the Debtors may also receive tax credits for overpayments or refunds with respect to Taxes and Fees. The Debtors generally use these credits to offset against future Taxes and Fees

³ By this motion, the Debtors do not seek the authority to collect and remit state and federal employee-related taxes and withholdings (other than with respect to potential audits or assessments for such taxes or withholdings). Such relief is instead requested in the *Motion of Debtors for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses and (B) Continue Employee Benefits Programs, and (II) Granting Related Relief* (the “Wages Motion”), filed concurrently herewith.

⁴ Although **Exhibit C** is intended to be comprehensive, the Debtors may have inadvertently omitted Taxing Authorities from **Exhibit C**. By this motion, the Debtors request relief with respect to Taxes and Fees payable to all Taxing Authorities, regardless of whether such Taxing Authority is specifically identified on **Exhibit C**. In the event the Debtors pay any Taxing Authority not included on **Exhibit C**, the Debtors will file a notice with the Court listing such Taxing Authority within 15 days of such payment.

or cause the amount of such credits to be refunded to the Debtors. The Debtors estimate that approximately \$14.5 million in Taxes and Fees are outstanding as of the Petition Date, of which approximately \$11.6 million is currently payable or will become due and owing to the Taxing Authorities within the first 21 days of these chapter 11 cases in the ordinary course.

7. The Taxes and Fees, not including those Taxes and Fees paid to Tax Service Providers (as defined herein), are summarized as follows:⁵

Category	Description	Approximate Amount Accrued and Unpaid as of Petition Date	Approximate Amount Due During Interim Period
Sales and Use Taxes	Taxes on goods and services sold or used, assessed based on the value of such goods and services, which are generally payable on a monthly basis.	\$5,640,000	\$5,640,000
Income and Franchise Taxes	Taxes imposed on the Debtors' income and state taxes imposed upon the Debtors to operate their businesses pursuant to state laws.	\$70,000	\$30,000
Property Taxes	Taxes and obligations related to real and personal property holdings.	\$3,720,000	\$2,690,000
Customs Duties⁶	Customs duties, import and export-related taxes, and other incidental import and export expenses.	\$5,000,000	\$3,200,000
Business License and Other Taxes and Fees	Fees related to compliance with state licensing and registration related to business licenses, ear piercing, food permits, and others.	\$40,000	\$30,000
Total		\$14,470,000	\$11,590,000

8. The Debtors pay the Taxes and Fees to the Taxing Authorities on a periodic basis, remitting payments in respect of such Taxes and Fees monthly, quarterly, or annually depending

⁵ The Debtors cannot predict with certainty the amount of any potential Taxes and Fees that may result from Audits (as defined herein). Accordingly, the Debtors' estimate of outstanding Taxes and Fees as of the Petition Date does not include any amounts relating to potential Taxes and Fees in connection with any Audit.

⁶ Given the volatility of U.S. tariffs, the amounts listed are estimates based on Customs Duties incurred over the last three months.

on the nature and incurrence of the particular category of Taxes and Fees. The Debtors believe that certain of the Taxes and Fees collected prepetition are not property of the Debtors' estates, but rather are held in trust for the Taxing Authorities. The Debtors seek authority to pay and remit all prepetition and postpetition obligations on account of Taxes and Fees, including where: (a) Taxes and Fees accrue or are incurred postpetition; (b) Taxes and Fees accrued or were incurred prepetition but were not paid prepetition or were paid in an amount less than actually owed; (c) Taxes and Fees paid prepetition by the Debtors were lost or otherwise not received in full by any of the Taxing Authorities; or (d) Taxes and Fees incurred prepetition may become due after the commencement of these chapter 11 cases, including as a result of Audits (as defined herein). In addition, for the avoidance of doubt, the Debtors seek authority to pay Taxes and Fees for so-called "straddle" periods (*i.e.*, periods that include the Petition Date).⁷

9. In addition, the Debtors may become subject to audit investigations on account of tax returns and/or tax obligations ("Audits") during these chapter 11 cases, including as a result of any voluntary disclosure agreements or similar procedural mechanisms (if applicable). Audits may result in additional prepetition Taxes and Fees being assessed against the Debtors, including in respect of the late payment of Taxes and Fees.⁸ Critically, in certain of the jurisdictions where the Debtors operate, the Debtors must be able to accept a proposed resolution of an Audit and make a payment with respect to such resolution in a timely manner. Accordingly, the Debtors seek authority to pay or remit any Taxes and Fees on account of any Audits as they arise in the

⁷ The Debtors reserve their rights with respect to the proper characterization of any "straddle" Taxes and Fees and to seek reimbursement of any portion of any payment made that ultimately is not entitled to administrative or priority treatment.

⁸ Nothing in this motion or any related order constitutes, or should be construed, as an admission of liability by the Debtors with respect to any Audit or Taxes and Fees in connection with an Audit. The Debtors expressly reserve all rights with respect to any Audit and the right to contest any Taxes and Fees claimed to be due as a result of any Audit.

ordinary course of the Debtors' business, including as a result of any resolutions of issues addressed in an Audit, including with respect to the kinds of Taxes and Fees otherwise addressed in the Wages Motion.

10. Finally, the Debtors from time to time engage in certain activities related to tax planning, including: (a) converting Debtor entities from one form to another (*e.g.*, converting an entity from a corporation to a limited liability company) via conversion, merger, or otherwise ("Entity Conversions"); (b) making certain tax elections (including with respect to the tax classification of Debtor entities) ("Entity Classification Elections"); (c) changing the position of Debtor entities within the Debtors' corporate structure ("Entity Movements"); and (d) modifying or resolving intercompany claims and moving assets or liabilities among Debtor entities ("Asset and Liability Movements" and, together with the Entity Conversions, Entity Classification Elections, and Entity Movements, the "Tax Planning Activities"). The Debtors seek authority, subject the Final Order, to engage in such Tax Planning Activities, to the extent doing so will not alter the substantive rights of the Debtors' stakeholders in these chapter 11 cases.

I. Sales and Use Taxes.

11. The Debtors incur, collect, and remit sales and use taxes to the Taxing Authorities in connection with the sale and purchase of goods and services (collectively, the "Sales and Use Taxes"). Sales and Use Taxes are general consumption taxes charged at either the point of purchase or the point of sale of goods and services, which are usually set by the relevant Taxing Authorities as a percentage of the retail price of the good or service purchased. In some jurisdictions, the Debtors remit to relevant Taxing Authorities estimated amounts with respect to Sales and Use Taxes resulting in tax credits or overpayments that may be refunded to the Debtors in certain circumstances. Additionally, when Sales and Use Taxes are incurred at the point of purchase, vendors often include the applicable Sales and Use Taxes on the invoices payable by the

Debtors. The Debtors generally remit Sales and Use Taxes in accordance with the statutory requirements of each applicable jurisdiction (*e.g.*, on a monthly basis).

12. In 2024, the Debtors paid the Taxing Authorities approximately \$52 million in the aggregate in Sales and Use Taxes. As of the Petition Date, the Debtors estimate that they have incurred, collected, or owe approximately \$5.6 million in Sales and Use Taxes that have not been remitted to the relevant Taxing Authorities, all of which is currently, or will become, payable during the first 21 days of these chapter 11 cases. The Debtors request authority to satisfy any amounts owed on account of such Sales and Use Taxes that are due and owing as of the Petition Date or may become due and owing in the ordinary course of business during these chapter 11 cases.

II. Income and Franchise Taxes.⁹

13. The Debtors historically incurred state, federal, and foreign income taxes in the ordinary course of operating their business (collectively, the “Income Taxes”). In addition, Debtor Claire’s Intellectual LLC began incurring foreign Income Taxes in 2024 as a result of the Debtors’ foreign business operations in Kuwait.¹⁰ Furthermore, the Debtors are required to pay various state franchise taxes in the ordinary course to conduct their business pursuant to state and local laws (the “Franchise Taxes”, together with the Income Taxes, the “Income and Franchise Taxes”). The Debtors generally remit Income and Franchise Taxes directly to the relevant Taxing Authorities in accordance with the statutory requirements of each applicable jurisdiction (*e.g.*, on

⁹ The Debtors reserve the right to make deferred payments on account of the Income and Franchise Taxes at the end of these chapter 11 cases pursuant to 11 U.S.C. § 1129(a)(9)(C).

¹⁰ Debtor Claire’s Intellectual LLC earns royalty income through a licensing agreement with a Kuwaiti franchisee partner. The income-producing activity creates an obligation to pay Kuwaiti income tax. All amounts are paid from a U.S. bank account in Kuwaiti Dinar. All figures in this Motion are presented in USD and are based on conversions from KWD to USD at the spot rate at the time of the wire payment.

a quarterly basis). In some jurisdictions, the Debtors remit to the relevant Taxing Authorities estimated amounts with respect to Income and Franchise Taxes, resulting in tax credits or overpayments, which may be set off against future Income and Franchise Taxes, or, in certain circumstances, may be refunded to the Debtors. In 2024, the Debtors were refunded approximately \$6.1 million in net aggregate Income Taxes from applicable federal and state Taxing Authorities.

14. In 2024, the Debtors paid approximately \$1.3 million in Income and Franchise Taxes to the applicable Taxing Authorities. As of the Petition Date, the Debtors estimate that they owe approximately \$70,000 to the relevant Taxing Authorities on account of prepetition Income and Franchise Taxes, of which \$30,000 is currently payable or will become payable during the first 21 days of these chapter 11 cases.¹¹ The Debtors request authority to satisfy any amounts owed on account of such Income and Franchise Taxes that are due and owing as of the Petition Date or may become due and owing in the ordinary course of business during these chapter 11 cases.

III. Property Taxes.

15. State and local laws in the jurisdictions where the Debtors operate generally grant Taxing Authorities the power to levy property taxes against the Debtors' real and personal property, and the Debtors pay property taxes in such jurisdictions on account of the Debtors' owned or leased real property and personal property located in such jurisdictions (collectively, the "Property Taxes"). To avoid the imposition of statutory liens on their real and personal property, the Debtors typically pay Property Taxes in the ordinary course of business on an annual basis or more frequently, depending upon the Taxing Authority.

¹¹ In certain jurisdictions, franchise taxes are included on the Debtors' state income tax return. For the avoidance of doubt, the Debtors are seeking authority to continue remitting franchise taxes which are included on income tax returns in the ordinary course of business and consistent with past practices.

16. In 2024, the Debtors paid approximately \$9.8 million in Property Taxes to the applicable Taxing Authorities. As of the Petition Date, the Debtors estimate that they have accrued approximately \$3.7 million in Property Taxes, of which \$2.7 million is currently payable or will become payable during the first 21 days of these chapter 11 cases. The Debtors request authority to satisfy any amounts owed on account of such Property Taxes that are due and owing as of the Petition Date or may become due and owing in the ordinary course of business during these chapter 11 cases.

IV. Customs Duties.

17. In the ordinary course of operating their business, the Debtors pay customs duties, import and export-related taxes, and other incidental import expenses, including, without limitation, anti-dumping and countervailing duties, brokers fees, and import and export fees related to freight handling fees, and fines (collectively, the “Customs Duties”) assessed by the U.S. Customs and Border Protection Agency (the “U.S. Customs Service”). In addition, certain of the Debtors utilize customs brokers for the import and export of goods (collectively, the “Customs Brokers”). The Debtors also maintain certain surety bonds as required under customs regulations to operate in the import and export sector.¹²

18. If the Debtors do not timely pay the Customs Duties, the U.S. Customs Service may demand liquidated damages, assess interest, or impose other sanctions. Contesting these measures would require substantial time, effort, and expense and would needlessly distract the Debtors from their chapter 11 efforts. In addition, absent payment the U.S. Customs Service may assert a lien

¹² The Debtors seek relief in connection with such surety bonds pursuant to the *Motion of Debtors for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Maintain Insurance, Surety Coverage, and Letters of Credit Entered Into Prepetition and Satisfy Prepetition Obligations Related Thereto, (B) Renew, Amend, Supplement, Extend, or Purchase Insurance Policies, Surety Bonds, and Letters of Credit, and (C) Continue to Pay Broker Fees, and (II) Granting Related Relief*, filed concurrently herewith.

against such goods under 19 C.F.R. § 141.1 (2008). Any such actions would impair the Debtors' ability to conduct business cross-border, resulting in immediate and irreparable harm to the Debtors' estates.

19. In 2024, the Debtors paid approximately \$20.4 million in Customs Duties to the applicable Taxing Authorities. As of the Petition Date, the Debtors estimate that they have incurred or accrued approximately \$5 million in prepetition Customs Duties, approximately \$3.2 million of which will become due and payable during the first 21 days of these chapter 11 cases. Additionally, the Debtors incur fees for Customs Brokers in the ordinary course of business.¹³ The Debtors request authority to satisfy any amounts owed on account of such Customs Duties and fees to Customs Brokers, including any Customs Duties and fees to Customs Brokers that are due and owing as of the Petition Date or may become due and owing in the ordinary course of business during these chapter 11 cases.

V. Business License and Other Taxes and Fees.

20. Federal, state, and local laws in the jurisdictions where the Debtors operate require the Debtors to obtain and pay for a wide range of business licenses, facility licenses, ear-piercing licenses, food permits, and a number of local, state, and federal permits, to remain in good standing with the applicable Taxing Authorities, as well as certain other miscellaneous taxes and fees required to operate their business (the "Business License and Other Taxes and Fees"). The methods for calculating Business License and Other Taxes and Fees and the deadlines for paying such amounts due thereunder vary by jurisdiction.

¹³ The Debtors' Customs Brokers fees are included on freight invoices and are not delineated as separate line items. Accordingly, it is difficult to quantify the precise amount of such fees.

21. In 2024, the Debtors paid approximately \$472,000 in Business License and Other Taxes and Fees to the applicable Taxing Authorities. The Debtors estimate that they have accrued \$40,000 in prepetition Business License and Other Taxes and Fees as of the Petition Date, approximately \$30,000 of which is expected to become due and payable during the first 21 days of these chapter 11 cases. The Debtors request authority to satisfy any amounts owed on account of such Business License and Other Taxes and Fees that are due and owing as of the Petition Date or may become due and owing in the ordinary course of business during these chapter 11 cases.

VI. Audits.

22. The Debtors are currently subject to one open Audit and may be subject to future Audits, which may result in additional prepetition Taxes and Fees being assessed against the Debtors during the pendency of these chapter 11 cases. In certain of the jurisdictions where the Debtors operate, it is critical that the Debtors be able to accept a proposed resolution of an Audit and make a payment with respect to such resolution in a timely manner. Unpaid Taxes and Fees in connection with Audits may result in additional penalties, the accrual of interest, or both to the detriment of the Debtors' estates. While the open Audit and/or future Audits may result in additional prepetition Taxes and Fees being assessed against the Debtors during the pendency of these chapter 11 cases, as of the Petition Date, the Debtors are not aware of any additional amounts owed on account of Audits with respect to financial reserve positions for potential exposures in connection with current or future Audits. Nevertheless, out of abundance of caution, the Debtors seek authority to pay or remit tax obligations on account of Audits as they arise in the ordinary

course of the Debtors' business, including as a result of any resolutions of issues addressed in an Audit.

VII. Tax Service Providers.

23. In the ordinary course of business, the Debtors use various third-party tax service providers, including BDO USA, P.C., Deloitte Tax LLP and Deloitte & Touche (Al-Wazzan & Co.), Manzano-Bahamonde & Co., and Anybill Financial Services Inc. (collectively, the "Tax Service Providers") to facilitate the calculation, and payment, of Taxes and Fees. Such services may include compliance and provision preparation, assistance in claiming tax refunds, calculating Sales and Use Taxes, and remitting taxes to the Taxing Authorities on the Debtors' behalf, among others. The Debtors expect to incur approximately \$480,000 in fees on account of Tax Service Providers for prepetition services, \$170,000 of which is expected to become due and payable during the first 21 days of these chapter 11 cases. The Debtors seek authority to satisfy any fees or amounts owed on account of services provided by such Tax Service Providers that are due and owing as of the Petition Date or that may become due and owing in the ordinary course of business during these chapter 11 cases.

24. The Debtors believe that continuation of the Tax Service Providers' services is necessary to assure the Debtors' compliance with the various taxing regimes to which they are subject. The Debtors need the expertise of Tax Service Providers to track and provide necessary tax services, which encompass tasks that would otherwise overburden the Debtors and distract the Debtors' personnel from the administration of these chapter 11 cases. Additionally, the Tax Service Providers' services reduce the risk of having to pay reinstatement fees, penalties, or interest on missed payments. Accordingly, the Debtors request authority to satisfy any amounts owed on account of such Tax Service Providers that are due and owing as of the Petition Date or that may become due and owing in the ordinary course of business during these chapter 11 cases.

Basis for Relief

25. The Debtors believe that any failure to pay the Taxes and Fees could materially disrupt the Debtors' business operations in several ways, including but not limited to: (a) the Taxing Authorities may initiate Audits, which would unnecessarily divert the Debtors' attention from the chapter 11 process; (b) the Taxing Authorities may attempt to suspend the Debtors' operations, file liens, seek to lift the automatic stay, and pursue other remedies that will harm the estates; and (c) in certain instances, certain of the Debtors' directors and officers could be subject to claims of personal liability, which would likely distract those key employees from their duties related to these chapter 11 cases. In addition, the Debtors collect and hold certain outstanding tax liabilities in trust for the benefit of the applicable Taxing Authorities, and these funds may not constitute property of the Debtors' estates; as such, there is a strong legal basis for allowing the Debtors to remit these funds to the applicable Taxing Authorities on a postpetition basis. Moreover, unpaid Taxes and Fees may result in penalties, the accrual of interest, or both, and nonpayment of the Taxes and Fees may also give rise to priority claims entitled to payment before general unsecured claims.

I. Certain of the Taxes and Fees May Not Be Property of the Debtors' Estates.

26. Many of the Taxes and Fees are collected or withheld by the Debtors on behalf of the applicable Taxing Authorities and are held in trust by the Debtors. *See, e.g.*, I.R.C. § 7501 (stating that certain taxes and fees are held in trust). As such, these Taxes and Fees are not property of the Debtors' estates under section 541 of the Bankruptcy Code. *See, e.g., Begier v. Internal Revenue Serv.*, 496 U.S. 53, 57–60 (1990) (holding that any prepetition payment of trust fund taxes is not a transfer subject to avoidance because such funds are not the debtor's property); *In re Net Pay Sols., Inc.*, 822 F.3d 144, 149 (3d Cir. 2016) (same); *In re FirstPay, Inc.*, 773 F.3d 583, 590 (4th Cir. 2014) (same); *In re DuCharmes & Co.*, 852 F.2d 194 (6th Cir. 1988) (per curiam) (same);

In re Shank, 792 F.2d 829, 833 (9th Cir. 1986) (sales tax required by state law to be collected by sellers from their customers is a “trust fund” tax and not released by bankruptcy discharge); *DeChiaro v. N.Y. State Tax Comm’n*, 760 F.2d 432, 435–36 (2d Cir. 1985) (same); *In re Calabrese*, 689 F.3d 312, 321 (3d Cir. 2012) (same); *In re Rosenow*, 715 F.2d 277, 279–82 (7th Cir. 1983) (same); *In re Waite*, 698 F.2d 1177, 1179 (11th Cir. 1983) (same). The Debtors, therefore, generally do not have an equitable interest in such funds, and they should be permitted to pay those funds to the Taxing Authorities as they become due.¹⁴

II. Certain of the Taxes and Fees May Be Secured or Priority Claims Entitled to Special Treatment Under the Bankruptcy Code.

27. Claims for certain of the Taxes and Fees are or may be priority claims entitled to payment before general unsecured claims. *See* 11 U.S.C. § 507(a)(8) (describing taxes entitled to priority treatment). Moreover, to the extent that such amounts are entitled to priority treatment under the Bankruptcy Code, the respective Taxing Authorities may attempt to assess interest and penalties if such amounts are not paid. *See* 11 U.S.C. § 507(a)(8)(G) (granting eighth priority status to “a penalty related to a claim of a kind specified in this paragraph and in compensation for actual pecuniary loss”). Claims entitled to priority status pursuant to section 507(a)(8) of the Bankruptcy Code must be paid in full under a confirmable plan pursuant to section 1129(a)(9)(C) of the Bankruptcy Code. Therefore, payment of certain of the Taxes and Fees at this time only affects the timing of the payment for the amounts at issue and will not unduly prejudice the rights and recoveries of junior creditors. Paying such Taxes and Fees likely will give Taxing Authorities no more than they otherwise would be entitled to under a chapter 11 plan and will save the Debtors the potential interest expense, legal expense, and penalties that might otherwise accrue on the

¹⁴ For the avoidance of doubt, the Debtors hereby request authority to pay the Taxes and Fees as provided herein regardless of whether such Taxes and Fees constitute trust fund obligations.

Taxes and Fees during these chapter 11 cases. For the avoidance of doubt, the Debtors are not seeking to make any payments pursuant to this motion for tax periods that would be older than those entitled to priority treatment.

28. Some of the Taxes and Fees may be entitled to secured status with respect to property owned by the Debtors. As secured claims, these Taxes and Fees would be entitled to priority treatment if the Debtors sell the property to which Taxes and Fees relate when the Debtors confirm a chapter 11 plan. *See* 11 U.S.C. §§ 506(a), 1129(a)(9)(C), 1129(b)(2)(A) (requiring that any plan of reorganization “crammed down” over a class of secured creditors pay those creditors in full or allow those creditors to retain their liens). Moreover, such secured claims could accrue interest if not timely paid. Thus, paying such secured Taxes and Fees only affects the timing of the payments, may reduce the ultimate amount owed with respect to such Taxes and Fees, and does not prejudice the rights of other creditors of the Debtors.

III. Paying the Taxes and Fees and Undertaking the Tax Planning Activities as Provided Herein Is a Sound Exercise of the Debtors’ Business Judgment.

29. Courts have recognized that it is appropriate to authorize the payment of prepetition obligations where necessary to protect and preserve the estate. *See, e.g., In re Just for Feet, Inc.*, 242 B.R. 821, 825–26 (D. Del. 1999); *see also In re CoServ, L.L.C.*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002); *In re Ionosphere Clubs, Inc.*, 98 B.R. 174, 175–76 (Bankr. S.D.N.Y. 1989); *In re James A. Phillips, Inc.*, 29 B.R. 391, 398 (S.D.N.Y. 1983). Several legal theories rooted in sections 105(a), 363(b), and 1107(a) of the Bankruptcy Code support the payment of prepetition claims.

30. Section 363(b) of the Bankruptcy Code permits a bankruptcy court, after notice and a hearing, to authorize a debtor to “use, sell, or lease, other than in the ordinary course of business, property of the estate.” 11 U.S.C. § 363(b)(1). “In determining whether to authorize the use, sale

or lease of property of the estate under this section, courts require the debtor to show that a sound business purpose justifies such actions.” *In re Montgomery Ward Holding Corp.*, 242 B.R. 147, 153 (D. Del. 1999) (collecting cases); *see also James A. Phillips, Inc.*, 29 B.R. at 397 (relying on section 363 to allow contractor to pay prepetition claims of suppliers who were potential lien claimants because the payments were necessary for general contractors to release funds owed to debtors); *Ionosphere Clubs*, 98 B.R. at 175 (finding that a sound business justification existed to justify payment of certain prepetition wages); *In re Phx. Steel Corp.*, 82 B.R. 334, 335–36 (Bankr. D. Del. 1987) (requiring the debtor to show a “good business reason” for a proposed transaction under section 363(b)). In addition, under section 1107(a) of the Bankruptcy Code, a debtor in possession has, among other things, the “implied duty of the debtor in possession to ‘protect and preserve the estate, including an operating business’ going-concern value.” *In re CEI Roofing, Inc.*, 315 B.R. 50, 59 (Bankr. N.D. Tex. 2004) (quoting *CoServ*, 273 B.R. at 497).

31. Courts also authorize payment of prepetition claims in appropriate circumstances based on section 105(a) of the Bankruptcy Code, which codifies a bankruptcy court’s inherent equitable powers to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a). Under section 105(a) of the Bankruptcy Code, courts may authorize pre-plan payments of prepetition obligations when essential to the continued operation of a debtor’s business. *See Just for Feet*, 242 B.R. at 825–26. Specifically, a court may use its power under section 105(a) of the Bankruptcy Code to authorize payment of prepetition obligations pursuant to the “necessity of payment” rule (also referred to as the “doctrine of necessity”). *See, e.g., Ionosphere Clubs*, 98 B.R. at 176; *In re Lehigh & New England Ry. Co.*, 657 F.2d 570, 581 (3d Cir. 1981) (stating that courts may authorize payment of prepetition claims when there “is the possibility that the creditor will employ an immediate economic sanction, failing

such payment”); *see also In re Columbia Gas Sys., Inc.*, 171 B.R. 189, 191–92 (Bankr. D. Del. 1994) (noting that, in the Third Circuit, debtors may pay prepetition claims that are essential to the continued operation of the business). A bankruptcy court’s use of its equitable powers to “authorize the payment of prepetition debt when such payment is needed to facilitate the rehabilitation of the debtor is not a novel concept.” *Ionosphere Clubs*, 98 B.R. at 175–76 (citing *Miltenberger v. Logansport, C. & S.W. Ry. Co.*, 106 U.S. 286 (1882)). Indeed, at least one court has recognized that there are instances when a debtor’s fiduciary duty can “only be fulfilled by the preplan satisfaction of a prepetition claim.” *CoServ*, 273 B.R. at 497.

32. The Debtors’ ability to pay the Taxes and Fees is critical to their continued and uninterrupted operations. If certain Taxes and Fees remain unpaid, the Taxing Authorities may seek to recover such amounts directly from the Debtors’ directors, officers, or employees, thereby distracting these key personnel from the administration of the Debtors’ chapter 11 cases. *See, e.g., In re Am. Motor Club, Inc.*, 139 B.R. 578, 581–83 (Bankr. E.D.N.Y. 1992) (stating “[i]f the employer fails to pay over the trust fund taxes, the IRS may collect an equivalent amount directly from officers or employees of the employer who are responsible for collecting the tax” and finding a director personally liable for unpaid taxes) (citing *United States v. Energy Res. Co.*, 495 U.S. 545, 547 (1990)). Any collection action on account of such claims, and any potential ensuing liability, would distract the Debtors and their personnel to the detriment of all parties in interest. The dedicated and active participation of the Debtors’ directors, officers, and employees is integral to the Debtors’ continued operations and essential to the orderly administration and, ultimately, the success of these chapter 11 cases.

33. Furthermore, the Debtors’ liability to pay the Taxes and Fees may ultimately result in increased tax liability for the Debtors if interest and penalties accrue on the claims for Taxes

and Fees, which amounts may also be entitled to priority treatment. Such a result would be contrary to the best interests of the Debtors' estates and all stakeholders. As noted above, many of the Taxes and Fees may be entitled to priority status pursuant to section 507(a)(8)(C) of the Bankruptcy Code. As priority claims, these obligations must be paid in full before any general unsecured obligations of the Debtors may be satisfied. To the extent that the Debtors are not able to timely pay the prepetition Taxes and Fees, they may ultimately be required to pay those amounts with additional interest and penalties. The Debtors' failure to pay the prepetition Taxes and Fees as they come due may, thus, ultimately increase the amount of priority claims held by the Taxing Authorities against the Debtors' estates, to the detriment of the Debtors' general unsecured creditors and other non-priority creditors. *See* 11 U.S.C. §§ 507(a)(8)(C) and 507(a)(8)(G). Accordingly, the Court should grant the Debtors authority to pay the Taxes and Fees and undertake the Tax Planning Activities as provided herein.

34. Courts in this jurisdiction have often authorized payment of prepetition taxes under sections 105(a) and 363(b) of the Bankruptcy Code. *See, e.g., In re Marelli Auto. Lighting USA LLC*, No. 25-11034 (CTG) (authorizing debtors to pay prepetition taxes and fees in the ordinary course of business and undertake tax planning activities); *In re At Home Grp. Inc.*, No. 25-11120 (JKS) (Bankr. D. Del. July 14, 2025) (same); *In re Liberated Brands LLC*, No. 25-10168 (JKS) (Bankr. D. Del Feb. 28, 2025) (same); *In re Accuride Corp.*, No. 24-12289 (JKS) (Bankr. D. Del. Nov. 19, 2024) (same); *In re Am. Tire Distribs., Inc.*, No. 24-12391 (CTG) (Bankr. D. Del. Nov. 18, 2024) (same).¹⁵

¹⁵ Because of the voluminous nature of the orders cited herein, such orders have not been attached to this motion. Copies of these orders are available upon request to the Debtors' proposed counsel.

Processing of Checks and Electronic Fund Transfers Should Be Authorized

35. The Debtors have sufficient funds to pay the amounts described in this motion in the ordinary course of business by virtue of expected cash flows from ongoing business operations and anticipated access to cash collateral. In addition, under the Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to any authorized payment in respect of the relief requested herein. Accordingly, the Debtors do not believe that checks or wire transfer requests, other than those relating to authorized payments, will be inadvertently honored. Therefore, the Debtors request authority to authorize all applicable financial institutions, when requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this motion.

The Requirements of Bankruptcy Rule 6003 Are Satisfied

36. Bankruptcy Rule 6003 empowers a court to grant certain relief within the first 21 days after the petition date only to the extent that relief is "needed to avoid immediate and irreparable harm." Fed. R. Bankr. P. 6003(a). For the reasons set forth above, the Debtors believe an immediate and orderly transition into chapter 11 is critical to the viability of the Debtors' operations. Failure to receive the requested relief during the first 21 days of these chapter 11 cases would severely disrupt the Debtors' operations at this critical juncture and cause immediate and irreparable harm. The requested relief is necessary for the Debtors to operate their business in the ordinary course, preserve the ongoing value of their operations, and maximize value of their estates for the benefit of all stakeholders. The Debtors have demonstrated that the requested relief is "needed to avoid immediate and irreparable harm," as contemplated by Bankruptcy Rule 6003, and request that the Court grant the requested relief.

Reservation of Rights

37. Notwithstanding anything to the contrary herein, nothing contained in this motion or any actions taken pursuant to any order granting the relief requested in this motion, and no action taken by the Debtors pursuant to the relief requested or granted (including any payment made in accordance with any such order), is intended as or shall be construed or deemed to be: (a) an implication or admission as to the amount, validity, or priority of, or basis for, any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's rights to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission, or finding that any particular claim is an administrative expense claim, other priority claim, or otherwise of a type specified or defined in this motion or any order granting the relief requested by this motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of any claims, causes of action, or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law; (h) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy under section 365 of the Bankruptcy Code; (i) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens; (j) a waiver of the obligation of any party in interest to file a proof of claim; or (k) otherwise affecting the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract or unexpired lease. If the Court grants the relief sought herein, any payment

made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity, priority, or amount of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

38. To the extent that any aspect of the relief sought herein constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a) and the 14-day stay of an order authorizing the use, sale, or lease of property under Bankruptcy Rule 6004(h).

Notice

39. The Debtors will provide notice of this motion to the following parties or their respective counsel, as applicable: (a) the Office of the United States Trustee for the District of Delaware (the "U.S. Trustee"); (b) the Priority Term Loan Agent; (c) the Existing Term Loan Agent; (d) the Agent under the ABL Facility; (e) the holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis); (f) the United States Attorney for the District of Delaware; (g) the Internal Revenue Service; (h) the other applicable Taxing Authorities; (i) the state attorneys general for states in which the Debtors conduct business; (j) the Tax Service Providers; and (k) any party that is entitled to notice pursuant to Bankruptcy Rule 2002 (collectively, the "Notice Parties"). As this motion is seeking "first day" relief, within two business days of the hearing on this motion, the Debtors will serve copies of this motion and any order entered in respect to this motion as required by Local Rule 9013-1(m). In light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

40. No prior request for the relief sought in this motion has been made to this or any other court.

[Remainder of page intentionally left blank]

WHEREFORE, the Debtors request entry of the Interim Order and Final Order, substantially in the forms attached hereto as **Exhibit A** and **Exhibit B**, (a) granting the relief requested herein and (b) granting such other relief as the Court deems appropriate under the circumstances.

Katherine Good (kgood@potteranderson.com) and Jeremy Ryan (jryan@potteranderson.com); and (f) any statutory committee appointed in these chapter 11 cases.

4. The Debtors are authorized to: (a) negotiate, pay, and remit (or use tax credits to offset), or otherwise satisfy any Taxes and Fees that arose or accrued prior to the Petition Date and that will become due and owing within the first 21 days of these chapter 11 cases in the ordinary course of business at such time when the Taxes and Fees are payable, including obligations arising on account of any Audit or otherwise owed for periods prior to the Petition Date; and (b) negotiate, pay, and remit (or use tax credits to offset) or otherwise satisfy any Taxes and Fees that arise or accrue in the ordinary course of business on a postpetition basis, including, for the avoidance of doubt, posting collateral or a letter of credit in connection with any dispute related to any Audits or paying any Taxes and Fees arising as a result of any Audits; *provided* that notwithstanding

anything to the contrary herein or in the Motion, that in the event the Debtors make a payment with respect to any Taxes and Fees for the prepetition portion of any “straddle” amount, and this Court subsequently determines such amount was not entitled to priority or administrative treatment under sections 507(a)(8) or 503(b)(1)(B) of the Bankruptcy Code, the Debtors may (but shall not be required to) seek an order from the Court requiring a return of such amounts, and the payment of such amount shall, upon order of the Court, be refunded to the Debtors.

5. The Debtors are further authorized to settle some or all of the prepetition Taxes and Fees for less than their face amount without further notice or hearing.

6. Notwithstanding anything to the contrary herein or in the Motion, the Debtors are authorized to file amended tax returns, if necessary, including for prepetition periods, and pay Taxes and Fees in connection therewith.

7. Notwithstanding anything to the contrary in this Interim Order, any payment made, obligation incurred or authorization contained herein shall be subject to and in compliance with the “Approved Budget” as defined in the orders of the Court approving the consensual use of cash collateral in these chapter 11 cases (including with respect to timing of payments thereunder).

8. The Debtors’ rights to contest the validity or priority of any Taxes and Fees on any grounds they deem appropriate are reserved and extend to the payment of Taxes and Fees relating to any audits that have been completed, are in progress, or arise from prepetition periods. To the extent that the Debtors have overpaid any Taxes and Fees, the Debtors are authorized to seek a refund or credit.

9. No payments shall be made pursuant to this Interim Order for past due taxes; *provided, however*, that nothing herein shall limit the Debtors’ authority to pay any assessment or any other amount in connection with an Audit, including the settlement thereof.

10. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Interim Order.

11. Notwithstanding the relief granted herein or any actions taken hereunder, nothing contained in this Interim Order shall create any rights in favor of, or enhance the status of any claim held by, any of the Taxing Authorities.

12. Nothing contained in the Motion or this Interim Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Interim Order), is intended as or shall be construed or deemed to be: (a) an implication or admission as to the amount, validity, or priority of, or basis for, any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission, or finding that any particular claim is an administrative expense claim, other priority claim, or otherwise of a type specified or defined in the Motion or this Interim Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of any claims, causes of action, or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law; (h) an approval, assumption, adoption, or

rejection of any agreement, contract, lease, program, or policy under section 365 of the Bankruptcy Code; (i) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in the Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens; (j) a waiver of the obligation of any party in interest to file a proof of claim; or (k) otherwise affecting the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract or unexpired lease. Any payment made pursuant to this Interim Order is not intended and should not be construed as an admission as to the validity, priority, or amount of any particular claim or a waiver of the Debtors' or any other party in interest's rights to subsequently dispute such claim.

13. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with the relief granted herein and to the extent authorized by this Interim Order.

14. Nothing in this Interim Order authorizes the Debtors to accelerate any payments not otherwise due prior to the date of the Final Hearing.

15. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003.

16. Notice of the Motion as provided therein shall be deemed good and sufficient notice of the Motion, and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

17. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Interim Order are immediately effective and enforceable upon its entry.

18. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Interim Order in accordance with the Motion.

19. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Interim Order.

10. The Debtors are authorized, but not directed, to undertake the Tax Planning Activities.

11. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Final Order.

12. Nothing contained in the Motion or this Final Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Final Order), is intended as or shall be construed or deemed to be: (a) an implication or admission as to the amount, validity, or priority of, or basis for, any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission, or finding that any particular claim is an administrative expense claim, other priority claim, or otherwise of a type specified or defined in the Motion or this Final Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of any claims, causes of action, or other rights of the Debtors or any other party in interest against any person or entity

under the Bankruptcy Code or any other applicable law; (h) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy under section 365 of the Bankruptcy Code; (i) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in the Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens; (j) a waiver of the obligation of any party in interest to file a proof of claim; or (k) otherwise affecting the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract or unexpired lease. Any payment made pursuant to this Final Order is not intended and should not be construed as an admission as to the validity, priority, or amount of any particular claim or a waiver of the Debtors' or any other party in interest's rights to subsequently dispute such claim.

13. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with the relief granted herein and to the extent authorized by this Final Order.

14. Nothing in this Final Order authorizes the Debtors to accelerate any payments not otherwise due.

15. Notice of the Motion as provided therein shall be deemed good and sufficient notice of the Motion, and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

16. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

17. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

18. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.
